

Texas Journal of Chiropractic, *Online*

Now is the Time to Use ChiroVoice

Announcement, Texas Chiropractic Association
Published 12/26/2009 - 7:11 a.m. CDT

It remains urgent and extremely important that DCs continue to support and participate in the [CHIROVOICE](#) project to construct and activate a national database of chiropractic patients, via their e-mail addresses.

Go to [CHIROVOICE](#) for details and instructions on how to participate if you have not already begun to support this vital project.

Texas currently ranks 6th in the nation in [CHIROVOICE](#) participants.

All doctors of chiropractic and major chiropractic organizations are encouraged to go to [CHIROVOICE](#) and take immediate action as requested.

All doctors of chiropractic and major chiropractic organizations are encouraged to go to [CHIROVOICE](#) and take immediate action as requested.

Also, it remains urgent and extremely important that DCs continue to support and participate in the [CHIROVOICE](#) project to construct and activate a national database of chiropractic patients, via their e-mail addresses.
